Hickory Ridge Election Committee Chair

  
Date

It came to staff's attention that the votes cast for the Village Board seats were off; too many votes were recorded.

The Election Chair and counters reconvened and reviewed the information, and an error was discovered. The Election Chair inadvertently added together the totals of the two counters of the paper ballots (both absentee and ballots cast the day of the election). That, in turn, caused a discrepancy in the number of votes cast.

The electronic totals were not affected.

The totals have been adjusted.
