Bring the world to your community

Host an exchange student

EF High School Exchange Year (HSEY) is seeking welcoming host families to host an exchange student. As a non-profit organization designated by the U.S. Department of State, EF HSEY has been connecting cultures and creating lifelong memories since 1979. Through our program, international high school students (ages 15-18) from over 15 countries—including those in Europe, Asia, and Brazil come to the U.S. on a J-1 Exchange Visitor Visa for a semester or full academic year. These students are eager to experience American culture, improve their English, and become part of a local family.

Why Host with EF?

- All students are carefully selected and prepared by EF staff.
- Students arrive with their own spending money and full medical insurance.
- Host families provide:
 - A bed and a place to study
 - Three meals a day
 - A supportive, caring home environment

Local support is always available - **Debby Harm-Johnson**, your area's International Exchange Coordinator (IEC), will be there to guide and assist both you and your student throughout the experience.

Interested in learning more?
Email: debby.harm-johnson@efexchangeyear.org

Hosting is a rewarding way to bring the world into your home and help a young person grow through cultural exchange.

Letter of Compliance

This letter is not required, but it is a valuable tool for sellers because it verifies that your property is in compliance with the Hickory Ridge Covenants. Any covenant violations on your property become the responsibility of the new owner, so home buyers often request a Letter of Compliance from the Seller.
