hickoryridgevillage.org • thehawthorncenter.org

Cul-de-Sac Beautification Grants

The village office will reimburse up to \$300 of your cost for plants and materials for plantings in a cul-de-sac circle on a county-owned street in Hickory Ridge. This grant does not apply to townhouse or condominium communities, outparcels, or privately-owned roads. Streets may apply as frequently as every three years.

To receive grant money, you must follow the steps below:

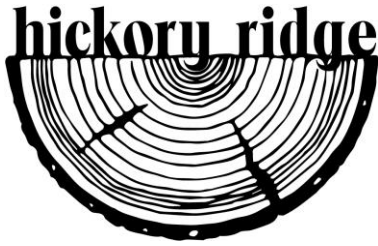

Step 1: Create a detailed drawing of the proposed planting scheme, including any hardscape, ground cover, and/or decorative features (bench, etc.) for the cul-de-sac circle.

Step 2: Get signatures of 80% of the homes within view of the circle.

Step 3: Submit the completed application form, along with the plan and signatures to the village office. We submit the plan to the county, the legal owner of the circle, for review and approval. Please be aware that it may take several weeks for the county to render its decision.

Step 4: We will notify you of the county's decision. If approved, you may purchase plants and materials and turn in original receipts (up to \$300) to the village office for reimbursement. Please note that decorative elements are not eligible for reimbursement.

Questions? Call the village office at 410-730-7327 or e-mail the Village Manager at manager@hickoryridgevillage.org.
