Join the Resident Architectural Committee!

Are you interested in the housing styles and architecture in Hickory Ridge? Join the Resident Architectural Committee (RAC)! The RAC reviews exterior alteration applications for homes in Hickory Ridge. Get to know community members and learn more about the Village you live in! The RAC meets on the first and third Wednesdays of the month in a virtual meeting at 7:30pm. In addition, RAC members visit 1 – 4 neighborhood properties in the week before the meeting as part of the application review process. Interested? Email Tania at applications@hickoryridgevillage.org.

Watershed Wise from the Watershed Resident Advisory Panel at Columbia Association

National Nitrate Pollution Awareness Week is
July 26 thru August 1st.

ADOPT A TREE OR THREE

We Need Volunteers!

Many of us walk the CA pathways for exercise and to enjoy our natural habitat. For those who walk in Clemens Crossing, please be aware that Columbia Association arranged for new

Nitrate is a naturally occurring compound made up of nitrogen and oxygen which is essential for plants.

Unfortunately, human activities (e.g., lawn and plant fertilization, pet waste, poorly maintained septic systems) add more nitrogen than plants and soils can use or retain.

Since nitrate is soluble in water, rain and irrigation can wash nitrate into our waterways or allow it to soak into groundwater.

Excess nitrate not only impacts our environment (algal blooms, fish kills, and “dead zones” like the one in our Chesapeake Bay), it also poses a serious risk to human health. Cancer, thyroid disease, and birth defects can all be caused by consumption of drinking water containing high nitrate levels.

[Click here for more information and to learn what you can do.](#)

trees to be planted along the pathway that runs from HRBR10 to Cardinal Lane in Clemens Crossing. This grant funded project is a collaboration between Howard EcoWorks and Columbia Association. Students already worked with

EcoWorks during spring break to remove invasive plants in the area. Subsequently over 50 moisture tolerant trees were planted including bald cypress, sycamore, witch hazel, black gum, and pin oak. The objective of this work was to reforest the area since multiple trees had been removed due to disease.

Now we need a few volunteers who can help maintain the trees. We would ask for two or three visits to your adopted tree/trees across the year to remove any tall grass or weeds at the tree base or invasive vines that try to creep up the wire cage and strangle the tree. If you would be willing to help please send your contact information to CARES@hickoryridgevillage.org. We will contact you for an information session so you know how best to maintain your adoptee(s).

[I'd Like To HELP!](#)

Who Takes Care of What??

The Village office receives anonymous reports of concerns about a lot of different issues. Often, they are concerns that can be addressed by the Village, but we also get reports of issues that we cannot address.

The Village **Covenants** empower the Covenant Advisor to address problems like unmowed grass, peeling paint and bulk items in a yard. However, the Covenant Advisor is limited by the Covenants as well.

Some issues that ARE NOT included in the Covenants, which would be addressed by other agencies are:

- Pet issues (off leash, waste etc.) - [Howard County Animal Control](#)
- Trees between the sidewalk and the street - [Bureau of Highways](#)
- Street issues like pot holes or a sign down - [Bureau of Highways](#)
- Columbia Association Open Space (paths, bridges, tot lots, playgrounds) - open.space@columbiaassociation.org
- Street light outage - [BGE reporting tool](#)

Some issue are on HOA property. If you live in a townhome or condo community, your HOA would handle the following:

- parking issues
- mailbox issues
- trash or trash cans on islands/collection points
- carports
- common property of the HOA

Hickory Ridge Block Party Grants

Plan Your Block Party in Hickory Ridge! Get ready to connect with your neighbors and celebrate your community!

Organize a block party—simply choose a date, complete the application, and share your invitation with your neighbors.

As a bonus, you can receive a \$150 Giant gift card to help cover party supplies! Only 15 grants are available for CA-assessed addresses, and they're awarded on a first-come, first-served basis—so don't wait!

[Applications here!](#)

Cul-de-Sac Beautification Grants

Join with your neighbors and make a plan to beautify the center of your cul-de-sac! Hickory Ridge offers \$300 grants to residents to beautify the center of their cul-de-sac.

If your grant request is approved, Hickory Ridge will reimburse up to \$300 in expenses.

Cul-de-sac Grant form must be filled out, including signatures of adjacent property owners. A plan must be submitted in order to receive approval from Howard County. Bee City plans available from the Village office.

Clary's Green Meadow Pollinator Habitat

The Hickory Ridge CARES team recommended that some of the sustainability funds available for work in CA Open Space be used to create a sizable pollinator garden in our village. The goal is to regenerate biodiversity by establishing native plant populations that support wildlife, including our local pollinators- bees, moths, butterflies, hummingbirds, bats, and countless other incredible

backyard critters. This project aims to add a quarter acre of pollinator habitat on the edge of an existing reforestation project site.

The location is in Clary's Forest on the western edge of aptly named Green Meadow field. The site was prepared for seeding in March by killing the existing turf, raking out the thatch and aerating. Seeding took place in April where native grass and wildflowers from Ernst Conservation Seeds in Pennsylvania. The seed mixes installed were MD Lower Midland UPL Meadow Mix and Mesic to Dry Native Pollinator Mix with a cover crop of grain oats.

The pollinator patch will take several seasons to establish. Ultimately, the area will provide a lot of nectar, pollen and seed to our insect and bird friends. CA's Sustainability Team is performing

maintenance on the reforestation site and new pollinator habitat this summer and fall.

Interested in joining the CARES Committee and contributing to environmental stewardship in Hickory Ridge? Email cares@hickoryridgevillage.org.

Bridge Closure

Columbia Association capital Improvements plans to replace the bridge HRBR11 beginning the week of 7/13/26. Because there is no suitable location for a temporary bridge, they will need to close the path at the bridge site during construction. The replacement is expected to take one week, weather permitting. See map for the detour to avoid the bridge. The location is between Quarterstaff Road and Harpoon Hill.

A Smarter Way to Age in Place

2026 HoCo Resource Guide For Older Adults Now Available

Howard County residents are embracing new opportunities to live longer and thrive, and the **Office on Aging & Independence** (OAI) helps ensure those added years are healthy, connected and secure.

With this in mind, they've updated the **Resource Guide for Older Adults, Adults with Disabilities and Caregivers** with programs and services for older adults of all ages and abilities, including wellness and prevention programs, caregiver and benefits support, nutrition and housing options, dementia-friendly initiatives, transportation, and opportunities to stay active and engaged.

Pick up a copy at your local 50+ Center or view the **2026 Resource Guide online**.

Need a place to live, but looking to make a connection? Want a roommate, but not sure how to start?

HoCo Home Share is a free program that matches homeowners who have a room to spare with local residents seeking housing. Program staff use a smart, automated platform to identify strong potential matches based on personal profiles and preferences, then guide both parties through introductions, development of a home-sharing agreement, and the leasing process.

The program is managed by **Bridges to Housing Stability**, a nonprofit organization that has provided housing services to Howard County residents for 35 years.

Letter of Compliance

If you are putting your house on the market, request a Letter of Compliance well in advance of a settlement date. It's best to make the request when the house is put on the market. This letter is not required, but it is a valuable tool for sellers because it verifies that your property is in compliance with the Hickory Ridge Covenants. Any covenant violations on your property become the responsibility of the new owner, so home buyers often request a Letter of Compliance from the Seller. Request forms are available on the [Sellers and Buyers page](#) of our website and at the Village Office. Questions? Email applications@hickoryridgevillage.org.
